SL280T-14LB

**LIFT MORE
LIFT FASTER
LIFT SAFER**

The re-designed SL280 gives you more of what it takes to get through your working day faster and safer. The standard load out package comes with an adjustable 2-5/16 inch coupler, 10 ply HD rated tires and a 5k drop leg jack. The Equa-Flex 8,000 lbs. axles eliminate the need for torsion axles and dramatically reduces road shock and vibration.

The new SL280 has a lift capacity of 8 tonnes stabilized by a modular sill and scissor lift design, allowing you to lift more and lift faster.

Charger System

Optional Roll Tarp

Lockable Tool Box

D-rings
