

Introducing the New Royal Series of Trailers

The Original Royal Series

LIGHTNING Top Performance

For those who are looking for a High End trailer that's known for its dependability and longevity, the Original Royal is the answer. It's specifically designed for robust commercial or industrial applications. Each and every component of the Original Royal is based on performance. Whether it's 40 below weather, tough terrain or being on the road 24/7, the Original Royal will handle any obstacle in its path.

The XR Series

ENTRY LEVEL Durable Versatility

The XR Cargo is the most popular and versatile Mid Level trailer for people that like to work hard and play hard. A favorite amongst contractors and off road enthusiasts, the XR boasts a solid frame design and a series of standard features and options that make getting the job done and having fun that much easier.

The Lightning Series

ENTRY LEVEL Reliable Value

Pound for pound, the Lightning is one of the best Entry Level trailers on the market. Whether you're looking for an economical solution for your small business needs or a mid size SUV friendly weekend hauler, the Lightning gets it done with the same reliability as its bigger brothers.

**Built in Canada,
by Canadians,
for the Canadian climate.**

Royal Cargo is proud to introduce the New Royal Cargo line up, The Royal Original, the XR and the Lightning.

Redesigned and re-visioned, with improved standard features such as Goodyear Tires and HD Ramp Systems*, the New Royal Cargo line up offers many choices and options.

We build durability, reliability and every day utility into our products. We deliver a user friendly and multipurpose trailer that gets the job done in safety and in style.

* see dealer for details

Whichever Royal Cargo trailer you choose, you can be confident that you will be buying unmatched quality and performance.

To see our new line up of trailers in the virtual world go to www.southlandtrailers.com or head down to your nearest dealer.

New Look. New Price. New Warranty

"Entry level" doesn't have to mean compromising on quality because of a lower price.

Steel Framed Door Opening

Full Steel Frame Rear Door

Satin Coat Wall Footer

Aluminum Fenders

Spring Axles

Standard Rims and tires

The Lightning series is made with the same attention to detail and quality we build into all of our trailers.

Whether you're looking for an economical solution for your small business needs or a entry level SUV friendly weekend hauler, the Lightning gets it done with the same reliability as its bigger brothers.

Exposed Steel Skeleton - Phosphate Washed and Fully Painted

- High pressure multi stage acid /alkaline washed
- Phosphate washed to inhibit rust & prepare the metal for painting
- Top coated with high quality black DTM paint

Ventilation

- Standard side vent keeps moisture out & allows the air to circulate

3/8" Plywood - Interior Walls

- Protects exterior walls from dents
- Increases the structural integrity of the trailer
- Provides for easier clean-out

Automotive Style Undercoating

- Seals the full underside of the plywood
- Protects the 3/8" plywood from the elements

12" Checkerplate Front

- Anodized 12" checker plate gravel guard on the front sheet protects the trailer & enhances its appearance.

4 or 7 Prong RV Plug

- The wiring harness (trailer electrical plug) is an injected molded one-piece RV plug

Galvanized Hardware

- Brass bushings
- Zinc coating provides superior finish
- Galvanization inhibits rust
- To secure your load, all doors are lockable
- Ramp or barn style rear doors

Framing /Welding

- .030 Aluminum Exterior
- Durable baked enamel finish
- Never rusts

* see dealer for details

LIGHTNING

Reliable Value

Don't let the low cost of the Lightning Series fool you, these trailers are built tough! The same quality control levels and attention to detail that is the hallmark of the Royal Cargo name, can be found in our entry level line of trailers.
